A REMINDER ABOUT COACH REGISTRATION:

In order to coach a skater at a US Figure Skating (USFS) sanctioned event, a coach must be registered with USFS and their name must appear on the list of registered coaches. All skaters, parents, and coaches should verify the coach registration on the USFS web site. When our club manages a USFS sanctioned event, such as a test session or competition, we are required by USFS to verify that all coaches are registered and that their name appears on this list. The intent of coach registration is for the protection of the skaters, the rink hosting an event, the club hosting an event, and US Figure Skating. Thank you for helping us protect our skaters, club, facility, and US Figure Skating.

Please put a check mark next to the test to be taken.
